**PLEASE BE ADVISED THAT** there will be no roll call in open court until further notice. The trial readiness of all civil trial matters enrolled for hearing will instead be determined by a Judge in chambers. In order to facilitate the decision of the roll call Judge the parties shall, by not later than 10 days before the allocated trial date, and after having held a telephonic or videoconference pre-trial meeting, file a joint practice note together with the requisite trial readiness checklist (Form 2), and written submissions, not exceeding two typed pages dealing with the trial readiness of the matter. In the practice note the parties shall address the following matters:

- 1.1 whether the matter is capable of settlement and should remain on the trial roll for that purposes;
- 1.2 a clear and concise statement of any outstanding issues for determination;
- 1.3 whether the outstanding issues are capable of determination without the hearing of oral evidence, in which event, if the parties agree that the matter be determined without hearing oral evidence, they shall be required to set out a statement of the agreed facts upon which oral argument is to be addressed by way of videoconference or other electronic means; and
- 1.4 in the event of the matter not being capable of a hearing as envisaged in paragraph 1.3 –
  - 1.4.1 the reasons therefor;
  - 1.4.2 the total number of witnesses; and
  - 1.4.3 the suggested logistics of conducting the trial by way of videoconference, alternatively where a trial by videoconference is not considered feasible or desirable, to state the reasons therefor and to set out the suggested arrangements with due consideration to the prevention of the
