Directives by Wanless J

1. The Hon. Judge Wanless will hear the matters hereunder in **open court** on the dates and times stated. (The relevant court number will be disclosed in due course – please see JSA website for daily court allocations).
2. An appearance will be required in all matters (save for those that have been duly removed by Notice).

3. Draft orders must be duly completed and compliant (i.e. must contain the details of counsel, reflect the date of the hearing, and the Judge's particulars). Draft orders must be uploaded onto CaseLines in PDF and **Word** format, and Counsel must bring a copy to the hearing in court. This order must be signature ready (i.e. **remove** the word "draft" from the tramlines, **delete** the "*further and/or alternative relief*" prayer etc.) Orders will be delivered by uploading same onto CaseLines.
4. The attention of all parties is specifically drawn to the provisions of the relevant paragraphs of the Judge President's latest Practice Directive dealing with Practice Notes for Unopposed Motions. These are to be uploaded at least one full court day prior to the date of the hearing. The purpose of the Practice Note is to assist the Court in the efficient disposal of the matter. In the premises, a Practice Note which merely describes what type of matter the Court is dealing with and/or does not refer the Court to the relevant documents and where these are to be found on Caselines, is of no assistance at all. The Practice Note should set out all the pertinent issues of the matter and precisely where each may be found on CaseLines. In this way, the Court will be able to ascertain whether the applicant is entitled to the relief sought or not. If a Practice Note does not comply with the foregoing the matter will be removed from the roll with an appropriate order as to costs.
5. Parties with CourtOnline matters must follow the "7-Steps" to ensure that their CourtOnline matters bundle onto CaseLines.
6. Introductions will take place at Chambers at 904/906 at 09h30
