

Reserved Judgments

1. Introduction

The judicial **norms and standards**, in paragraph 5.2.6 provides that judgments in constitutional, criminal and civil matters should generally not be reserved without a fixed date for handing down. Judicial Officers have a choice to reserve judgments *sine die* where circumstances are such that the delivery of a judgment on a fixed date is not possible. The norms and standards state that the Judicial Officers should make every effort to hand down reserved judgments no later than three (3) months after the date of the last hearing.
